Instructions to look up ROSE CUP game scores on your mobile!

1. Go to your mobile browser (safari for iphone) and search gotsoccer. Alternatively you can go to app store.

2. A mobile version of gotsoccer should pop-up once you click it.

3. The click on **"Schedules and Results"** button in the bottom left hand corner.

4. Then you need to search the event by month and name. Once you put in month (September) all you need to put in name is "Rose" and the event will pop up.

5. Click on the mini banner and you are good to go!!!
